

2009-10 Corporate Booster Form  
Lee's Summit North  
Music Parent's Organization

Lees' Summit Music Parent's is a 501c(3)c non-profit organization that supports the choral, band and orchestra programs, students, and faculty at Lee's Summit North High School. We help provide instruments, music, equipment, uniforms, transportation, judges, clinicians, coaches, food, and whatever else that may come up that's unplanned.

In addition, we help students in financial need participate, as well as scholarships for students continuing on in their music education. The R-7 school district has had budget cuts and with the present economy, we would like to ask your help by being a corporate booster.

In appreciation for your support, all "Corporate Boosters" will be listed in all concert programs, displayed on posters at key events, and featured on the Music Parent's website [www.musicparents.com](http://www.musicparents.com) during the 2009-2010 season.

The amount of donation to be a Corporate Booster is \$30.
